GET TO KNOW YOUR NEIGHBOR

We are Fred and Anne Skeens and live in space 23. We have been here since January 2017 and are happy to be here. I (Anne) came to Arizona from New York in 1976 with my sister in a '65 Ford to start a new life. Fred came from West Virginia in 1971 with his Dad and 2 siblings. We met each other in Guggy's Restaurant in Mesa. I was a waitress and Fred often came in with his Dad to eat. He offered to change the oil in my car and to take me for a motorcycle ride. The rest is history. We have three kids together and Fred has two from a first marriage. We have been married for 39 years. The first time we came to the Lamplighter was to check out the yard sales. We were impressed with the tall trees and the beautiful fall colors we saw later in the year. It was a good choice. As far as a Bucket list item, we would like to take a cruise to Alaska and watch the whales. I am hoping I can go up in a hot air balloon for my birthday this fall. I had the chance to go on a zip line at Sunrise for my 60th birthday and that was a blast. Fred had no such desire to do that! I love to have quiet moments to read when I can. We are both planning on going to Rocky Point this fall; something we have never done. Retirement is not in the picture yet. I (Anne) am still teaching second graders at the Payson Christian School. (Did you know you can send your state taxes to our school to help kids go to a Christian school?) I can't imagine not having something to do every day, so I will probably never really retire completely! Fred is a flooring installer and has been since he was a small boy! He has also been a school bus driver for Payson schools. The best thing I ever did was to invite Jesus into my life. It has changed my life for the better and has given me the courage to face difficult times. I love the hope that I have in Jesus and living eternally with Him. Fred and I both share a deep faith in Jesus. We are really enjoying living here in the Lamplighter and having the chance to become a part of the "family" here.

PETS MUST BE ON A LEASH OR CARRIED WHEN OUTSIDE THE HOME.
