**GET TO KNOW YOUR NEIGHBOR**

Hello dear Lamplighter neighbors! I am honored to share a little bit about myself and my wonderful family. I have been visiting Payson for over 40 years (back when the Rodeo Parade was on the Beeline), as my parents and my aunt and uncle purchased the Payson public golf course in 1976 (they later sold it after putting in the back nine), and my sister taught at PHS and my brother-in-law ran the Mill before it closed. I finally “retired” to Payson 4 years ago from Tampa, Florida where I was an arts administrator for 250 schools, running visual arts, dance, theater, and music programs for the Arts in Education program. I am enjoying my new life chapter, teaching psychology for Eastern Arizona/Gila Community College, serving as a board member for the Friends of Rim Country Board for student scholarships; lifeguarding at the Tonto Apache Gym; and spending time with my 99-year-old aunt in Payson Care Center. My precious daughter Cori and her partners own The Owl and the Pussycat Salon in Brooklyn, so I spend a lot of time visiting and helping her in New York. As most of my teaching is online, I take as much time as I can to travel...back to Florida, to Minnesota where I was born and lived for 23 years and have a lot of family, and a few other great places like Scotland. I am blessed to have my dear sisters and their families living close to me now.

When my sisters and I sold our parents’ cottage on the golf course, I was so fortunate to find my new special place in the Lamplighter, overlooking the horses in the fields! And also to discover the amazing grand piano and organ in the rec center that I can practice on whenever I have a moment.. And best of all, I have the most special neighbors—Doris, Zoe and her “kids”, Nyliss and Don, and Wendy and Brent. I simply could not have found a more beautiful, comforting, quiet, and friendly place to live. Lynn Norton #274
