September Park Patter

2018

Along with all the rain come the weeds. So now is the perfect time to start pulling out weeds before they get out of hand. Maintenance has been spraying the park, but not the spaces that are occupied. Please take care of the weeds on your space so they do not get out of control.

PETS MUST BE ON A LEASH OR CARRIED WHEN OUTSIDE THE HOME.

PLEASE PICK UP AFTER YOUR PETS!

GET TO KNOW YOUR NEIGHBOR

We are Jean & Lyle Vogt in Space #9. We have been here since May 2014. We live in Apache Junction in the winter time. We spent 10 summers in Flagstaff and loved it there, but Payson is half as far and not as cold. We love the "small town" friendliness here. We have been married for 42 years. Jean grew up in Owensboro, Kentucky and Lyle grew up in Bakersfield, California. Jean worked as a waitress & Lyle worked for Delta Airlines. We have 2 children, 5 grandchildren, 11 great grandchildren and 1 great greatgrandchild. We love our home here and feel very blessed to be able to be here.

Please welcome our New Buyers

Do not leave your trash cans full and overflowing on your sites. This attracts unwanted wildlife and is not esthetically pleasing to the park.
